Section 2: Terms of Reference

For the Provision of Video Production Services

Background

DDR is an integral part of Sudan’s Comprehensive Peace Agreement (CPA), which was signed on 9 January 2005, marking the end of Africa’s longest civil war. Restoring and strengthening security through disarmament, demobilization and, in particular, reintegration into civilian society, of ex-combatants and associates is a key requirement for securing the transition to peace opened by the CPA. The Sudan DDR Programme (SDDRP), 2009 – 2012, will support ex-combatants (XCs) associated with SAF, SPLA and Other Armed Groups (OAGs) who aligned with the SAF or SPLA in June 2007 to be eligible for DDR. It will also support the elderly, people with disabilities and women associated with armed forces (WAAF), known as Special Needs Groups (SNGs). 180,000 participants will be supported under the SDDRP, 90,000 in the North and 90,000 in the South. The first phase of DDR, which was launched in Southern Sudan in early June 2009, caters to a caseload of 34,000 in Southern Sudan and 30,000 in Northern Sudan, prioritizing SNGs.

2. Objective

The SDDRP is aimed to facilitate and accelerate the economic and social reintegration of ex-combatants and WAAF into civil society, contributing to broader reconciliation and recovery across southern Sudan. Public Information (PI) is a vital component of the SDDRP, to explain the objectives and process of DDR to ex-combatants and WAAF, recipient communities and other key stakeholders, and support implementation.

3. Scope of work

SSDDRC and UNDP are seeking an organization or individual to design and produce video documentaries and clips to explain and promote DDR to a variety of audiences, including ex-combatants, WAAF, communities and the broader public in southern Sudan. The successful organization or individual will design and produce the following, in mini DV (pal standard) and DVD (multi region):

- 1 x 30 minute briefing video explaining the reintegration support ex-combatants and WAAF will get
- 1 x 25 to 30 minute documentary on DDR in Southern Sudan, covering the ideas and activities of DDR, and ex-combatants, women associated with armed forces (WAAF) and communities in at least 1 state in each of the three regions of southern Sudan
- 1 x 15 minute 'success story' on DDR
- 4 x 3 to 4 minute clips on DDR to put on the DDR website
- 1 x 15 minute instrumental musical score (AIFF Audio File on CD)
3.1 General provisions

The successful organization or individual will be required to design and produce the above listed items and execute the following activities:

- filming of relevant footage
- developing a script, with guidance from SSDDRC and UNDP
- recording of musical scores
- sound-mixing, editing and other necessary post-production operations

SSDDRC and UNDP will:

- provide briefing and technical content for the documentaries and clips
- approve the final script before production starts
- assist in identifying characters, locations and resource people for interviews;
- facilitate the process of obtaining necessary filming permits;
- give approval for public screening, if appropriate
